

### *A Presidential Message...*

Hello fellow ASHRAE members. I'd like to thank those of you that took the time to come to our last meeting, I hope you enjoyed yourselves and found the presentation insightful. For those of you who attended both the September and October meetings I have PDH Credit Certificates that I will get to you virtually and a physical copy next time I see you.

This month's meeting will be a virtual webinar offering continuing education credits. The topic will be "The Future of Refrigerants" presented by Mr. Ben Schlinsog the Regional Sales Manager at Daikin. Ben has over 40 years of experience in sales management, national accounts, corporate communications, marketing, and product management. He has an Associate of Art degree in Air Conditioning and Refrigeration as well as a Bachelor of Arts degree in Marketing. He is currently serving as the Chairman of the SMACNA Associate Member Committee.

I hope you all can attend this month's meeting! Thank you to Gardiner for coordinating with Mr. Schlinsog's to present at this meeting! We are still in need of 2 more meal and beverage sponsors for this year's meetings. If you are interested in sponsoring a meeting please email me directly.

Respectfully,  
Andrew Moses
